Additional Details:

Upon receipt of this completed form, with accompanying payment method, NWCOA will register you to take the AOTC Prerequisite Test. A link will be emailed to you to access the course, in addition to a payment coupon code.

The first step you will need to take will be to create a LearningZen account, if you don't already have one on the NWCOA Online Learning Center. When registering please be sure to enter **NWCOA** in the authorization code field.

Instructions for the test are provided once you have gained access to the test. Upon successful completion of the test, please print and retain your certificate of completion. You can register for the AOTC Course at any time, but won't be confirmed until your BOTC credentials or the successful completion of the AOTC Prerequisite exam is confirmed. You will have one attempt to pass the exam online. If you do not pass the exam, you may register to take the NWCOA Basic Wildlife Control Operator Training course in person, and will be extended a \$50 discount to that course registration.
